

BILL MOSTON LEAVES TO TAKE UP AN APPOINTMENT  
AT COWLISHAW WALKER ON MONDAY, 30TH SEPTEMBER 1968

Bill Moston's been with us quite a time  
and now we'll try to say in rhyme  
Just how we feel now that he's moving  
and we another lad are losing -

A quiet and unassuming type  
You never got him talking 'TRIFE'  
Well liked by all he worked beside  
you never once, heard him deride  
His workmates, bosses or anyone,  
Although with each he shared their fun

Cowlishaw Walker's his new address  
Where he'll design a brand new press  
Efficient and Dependable we're sure it will  
Be like the lad we know as 'Bill'.

With this gift we try to say  
To you, Bill on your last day  
We hope that in your new appointment  
You'll find success and much enjoyment.
